

YOUR VOICE MATTERS

Granite State Leaders

Apply now for the 2023 program!

LEAD

Develop the critical skills to build your leadership potential.

Granite Leaders is a free program through the New Hampshire Coalition to End Homelessness. This two-week program builds leadership skills within the formerly homeless community, increasing their capacity to take on influential roles on issues pertinent to their lives. Through this educational program, participants learn specific skills and interact with widely recognized leaders on local, statewide and national levels. Upon completion of the program, graduates become part of a network of skilled leaders focused on improving the quality of life in communities across New Hampshire.

Program sessions will primarily be based in Manchester, with occasional experiential learning opportunities. Transportation assistance available if necessary.

NETWORK

Expand your personal and professional networks as you meet key social leaders.

SPEAK

Raise your voice and be heard on the key community issues that mean the most to you.
